Motion to stay at Carswell pending Proceedings
Request for Injunctive Relief
Dear Honorable Judge Reed O'Connor,

Last night my name was placed on call out for
the property room. I guess this means I am
being jacked out for in-transit status to be sent
back to MDC Brooklyn.

I filed my habeas corpus according to the
file on April 17, 2014 the same day it was
consolidated with the Southern District of
New York.

It is now June 16, 2014 and my habeas
before your honor has not been decided. It
appears that before the institutions have to
answer I am placed in transit. I have filed the
habeas petitioning the fact of my confinement.
Because I am being unlawfully imprisoned
for a non-existent offense. The statute
requirement has not been met and the case
was thrown out on August 14, 2012 and I was
released from custody on October 10, 2012 and
illegally returned.

It is cruel to have me shackled and cuffed,
transferred to OKC by bus for 3 hours and then
placed in SHU for weeks to be sent back to
detention over a non-existent case. I am
not mentally or physically able to handle that
besides it's dehumanizing.

ORIGINAL

I was also sent to a high security prison in violation of my 5th Amendment right and 14th Amendment. I have also suffered torture and cruel and unusual punishment under the 8th Amendment. I would like a decision either way and a stay until you decide. Therefore, this is a motion to stay pending your conclusion of my habeas since transit places a hardship on me.

Previously I was transferred to Carswell just before MDC Brooklyn had to order show cause for an order entered by the US District Court for the Eastern District of New York on February 14, 2014. The matter was deemed moot on April 14, 2014. 13-cv-0879 (ARR). I feel that this is violating my due process and the purpose of my habeas is to end the profound injustice happening to me.
